AMARONE: ZÝMĚ VS QUINTARELLI

Lugano – Wednesday 25 ottobre 2017

The Veneto region is often characterized by the success of several indigenous grapes, moreover, those responsible for the creation of the two crown jewels, Valpolicella and Amarone. For this special event, we will present the wonderful wines of two of the greatest Veneto producers, **ZýmĚ & Quintarelli**.

The relationship between these two estates is quite interesting actually. The founder of ZýmĚ, Celestino Gasparri, has worked for many years beside Valpolicella's iconic figure, Giuseppe Quintarelli – the Grandfather of Amarone – who also happens to be his father-in-law.

Today, Quintarelli remains as the region's classic landmark producer, while ZýmĚ, thanks to Celestino Gasparri's experiences, not only holds the secrets of tradition, but also the goals of innovation. These key factors of success are reflected in the glass, bringing both past traditions and future modernizations to light.
